

# Dreaming

Do you remember your dreams for your future?  
The future of your community and your people?  
What did you want to do, be, achieve?  
What did you want for your community?  
What did you want to see, learn, do?  
How are you involved? Do you go out on the  
land? Learn traditional ways? Do you listen?  
Don't forgot these dreams as you can still work  
towards them. It just may take some time.

Remember these dreams because they are probably the same as your grandparents and parents had as well as your children, grandchildren and great grand children have. Our desire for a better future, being heard and seen is everyone's desire. We want to be connected...

**To the Land, Water, Animals & Each Other.**

*If we do what we  
have always done,  
we get what we  
have always gotten.*

**Now is our chance  
for change.**

Our young ones  
desire this so  
intensely but they  
do not know how  
to tell us this yet.  
Lets show them  
that it is possible.  
Let us join in,  
with positive  
hearts & minds.

## Growing

Lets reconcile the past, with each other, with others,  
and our future. Lets heal together, with each other, for  
each other. So our children see us growing everyday.

# INSPIRATION

How do we do this? When we feel weak, tired, defeated someday? When you feel like your future was taken from you long time ago or even just awhile ago? YOU CHOOSE some different in that moment.

*YOU CHOOSE...you have that power!*

How you feel, how you are, how you see things. We can choose something different every time. It is our choice.

---

Hold on to what is good, even if it's a handful of earth.

Hold on to what you believe, Even if it's a tree that stands by itself.

Hold on to what you must do, Even if it's a long way from here.

Hold on to your life, even if it's easier to let go.

Hold on to my hand, Even if someday I'll be gone away from you.

**PUEBLO PRAYER**

---

**Upon suffering beyond suffering:**

The Red Nation shall rise again and it shall be a blessing for a sick world; a world filled with broken promises, selfishness and separations; a world longing for light again.

I see a time of Seven Generations when all the colors of mankind will gather under the Sacred Tree of Life and the whole Earth will become one circle again.

In that day, there will be those among the people who will carry knowledge and understanding of unity among all living things and the young white ones will come to those of my people and ask for this wisdom.

I salute the light within your eyes where the whole Universe dwells. For when you are at that center within you and I am that place within me, we shall be one.

Crazy Horse, Oglala Lakota Sioux (circa 1840-1877)

**WE CAN CHOOSE TO SEE THINGS WITH DIFFERENT GLASSES. THIS DOES NOT MEAN WE FORGET BUT WE CAN FORGIVE. WE CAN SURROUND OURSELVES WITH POSITIVE, INFLUENTIAL AND INSPIRING THINGS. THE WORLD IS FULL OF THEM. WE JUST NEED TO REMEMBER TO LOOK FOR THEM.**

**THE TIME OF TRANSFORMATION HAS COME!**

---
