Aboriginal Skills Employment & Training Strategy

WHAT WE DO AT ASETS:

ASETS is committed to helping clients enter into the workforce or explore and discover a new career path. We have dedicated staff who offer support and the following: Employment counselling; self-directed job search; industry training; essential skills assessments; academic assessments; funding for training; funding for job starts.

LOOKING FOR WORK??

Our Employment Counsellors work with clients to explore their employment options and develop return to work action plans. This process can include several approaches such as: Job search skills; career decision making; resume writing; employer connections and skill development. ASETS also offers job boards; computers for clients; telephone; resume printing and labour market information.

LOOKING FOR TRAINING?

If clients require training or re-training to enter the workforce, our staff may be able to help access funding to begin a new and exciting career path. WE can provide funding for the following occupational training: Industry recognized certification; certificate and diploma programs and trades foundation training.

IN-HOUSE INDUSTRY TRAINING PROGRAMS:

Various programs are offered throughout the year and are based on industry demand such as: Construction; Oil & Gas; Landscaping, etc.
