IF THE DECEASED DID NOT LEAVE A WILL

The following information may all be emailed to:

Sara.Kagan@sac-isc.gc.ca

- A copy of the death certificate
- Addresses of heirs. Our initial determination of the heirs follows; if there are heirs who do not appear on this list, please add them, along with their relationship to the deceased, and their addresses.
- If the deceased had a common law partner, please provide her or his full name and mailing address

PLEASE NOTE: we have a very significant backlog of estate files. We address files on a first in – first out basis and it may be months from the time we receive the death certificate until a file is opened. If we have the necessary information, the steps after opening the file will go much more quickly.
